## Superchips Bluefin vehicle ECU tuning

Thank you for your interest in Superchips and the world leading 'Bluefin' hand held ECU tuner. Since 1977 Superchips has tuned over 500,000 vehicles and they are known as the oldest vehicle tuner in the United Kingdom.

## How is Superchips Bluefin different?

With Superchips Bluefin you the vehicle owner have complete control over tuning your vehicle. There is no need to visit a dealer to have a remap installed as the Bluefin device does this for you. You can flash your car to stage one or flash back to stock for servicing, warranty or sale whenever you want. For certain vehicles you can flash to stage 2 or 3 with no need to leave your home. Through the unique Superchips software and Bluefin device, tuning your vehicle is now controlled from the safety of your own driveway.

## How does it work?

Simply plug the device into your vehicles OBD port, take a read of your ECU and then register the device with the complimentary software. Your new file will be sent to you within 24 hours and the whole process to tune your vehicle should not take longer than 1 hour. The Bluefin device always holds your stock file if at any time you wish to flash back to stock.

## Performance and Economy

Superchips Bluefin is most effective on turbo petrol and turbo diesel vehicles. For petrol increase your torque and BHP up to 25% and diesel up to 30%. For diesel vehicles we see a fuel consumption reduction by 10%.

## Warranty and support

Your Superchips tune and Bluefin device is warranted for life. If at any stage the vehicles file is erased by a dealer, we will resupply you a new one. If the device for some reason fails we will send you a new one. Superchips UK provides exceptional customer service and support and so does the Australian distributor. If you have any problems we are only a call or email away.

## Shipping and Postage

All stock is shipped FREE from Melbourne, Australia with Australia post. You will be provided with an Aus Post tracking number. Shipping is fast and efficient and you should receive your device within 3-5 working days. No need to wait weeks for delivery.

## Returns

Superchips Australia has a two week no questions asked full refund and return policy. If for any reason the device does not fit or you are unhappy with the product it may be returned for a full refund.

## Extra features of Superchips Bluefin

- If you sell your vehicle in the first 12 months of purchase the next tune is complimentary
- On vehicle sale take the Bluefin with you and your next tune will be 35% off full AUS RRP
- Upgrade to stage 2 or 3 for only \$200 each extra stage
